## Required Documents

- Copy of passport/visa (if available)
- Academic transcript
- Certificate of Graduation
- Certificate of English proficiency
- Personal Statement
- Recommendation letters
- CV (if applicable)

## Additional Documents for PhD/Research Studies

- Certificate of Graduation/Master's degree
- Research proposal

## Personal Statement Requirement

The personal statement is your opportunity to display why you would be such a good student for the university to accept. It should include:

- An introduction about yourself and your goals
- Outline your academic history and interests
- Outline any relevant work experience
- Summarise your academic goals on the course
- Express your will to enter this course

## Reference Letters Requirement

References are typically composed by somebody who knows you scholastically or professionally. Most references will discuss you from an educator's or director's point of view: the path in which you communicate with different understudies and your execution in classes and workshops. Your reference does not need to be scholastic, but rather in case you're considering or have as of late finished school or school, a scholarly reference is normal. Picking the right official is pivotal for your application to college. Things to consider:

- Choose an appropriate referee
- Print on official company or university letterhead
- Explain the relationship between you and the referee
- Express confidence that you will complete the course
- Don't forget the signature of the referee

- Copy of Bank statement cover maintenance funds covering 28 days

If you are visiting us for your Free Consultation, use above checklist to ensure you bring along all your documents so we can make the most of your appointment.

## How to Apply Visa

### If you are making an application Study in UK

You can apply for a Tier 4 (General) student visa to study in the UK if you're 16 or over and you:

#### You can apply if

- Have been offered a spot on a course (known as CAS Letter)
- Meet the English Eligibility Requirements
- Have enough cash to bolster yourself and pay for your course – this will shift contingent upon your circumstances
- Are from a nation that is not in the European Economic Area (EEA) or Switzerland.

#### CAS Letter

Your education provider will send you a reference number called a confirmation of acceptance for studies (CAS) once they've offered you a place on a course. You'll need to enter this on your visa application.

You must apply for your visa no more than 6 months after you receive the CAS.

#### Maintenance Funds

You will need enough money to pay for your course fees and your living costs while you are in the UK. The Home Office refers to this as the maintenance (funds) requirements.

Maintenance must be in the form of cash funds. You cannot use evidence of other types of finances, such as shares, bonds or a pension fund. You also cannot use an overdraft facility.

The amount of money that you need to have for your maintenance will depend on:

1. How long your courses lasts AND
2. Where you will be studying in the UK

## Maintenance Funds for Applicants

- Inner London £1,265 per month. Therefore if your course lasts for nine months or more you will have to show £11,385.
- Outer London £1,015 per month. Therefore if your course lasts for nine months or more you will have to show £9,135.

## Course Fees

You must have enough money to pay for the course fees for the first year of your course, or the entire course if it is less than one year long. Your CAS will state the fees that you will be required to pay for the first year of your course, or the entire course if it is less than one year long. The Home Office will use the details in your CAS to confirm how much money you need for your course fees.

If you do not need to pay any course fees to your Tier 4 sponsor, your CAS will state that there are no fees due. For example, if you are applying to come to the UK as part of a 'study abroad' programme, and you have paid all of your course fees to your home institution, this will be confirmed in your CAS.

## Amount of Money Required for Dependants

If your dependant applies on or after 12 November 2015, then the amount of money that each dependant must show is as follows:

- If you will study in London, £845 for each month of your course, up to a maximum of 9 months (that is, a maximum figure of £7,605). The definition of 'London' for these purposes is complicated, so check with your college or university whether or not you will be considered to be studying in London.
- If you will study somewhere other than London, £680 for each month of your course, up to a maximum of 9 months (that is, a maximum figure of £6,120).

Note: There is no reduction in cases where students already have an 'established presence' in the UK (provision for this was abolished on 12 November 2015).

## Required documents for Student Visa Application

- A current passport or other valid travel documentation
- 1 passport-sized colour photograph with your name written on the reverse side
- Proof that you can support yourself and pay for your course
- Proof of parental or other legal guardian consent if you're under 18
- Your tuberculosis test results if you're from a country where you have to take the test
- You'll need to have a blank page in your passport on which to put the visa.

## Visa application Fees

- It costs £322 to apply for this visa from outside the UK and same for any dependants applying with you.  
You must pay £439 per person or any dependants if applying inside the UK.
- You'll also have to pay the healthcare surcharge as part of your application. Check how much you'll have to pay before you apply.

## How long it can take?

- You can apply for a visa up to 3 months before the start of your course.
- You should get a decision on your visa within 3 weeks.
- Check the guide processing times to find out how long getting a visa might take in your country.
